19	*Tribulus terrestria*	*Heliothis*, tobacco cater pillar
20	Citronella sp.	Cockroaches, mosquitoes, storage pests

Sale of Dhara oil through GCMMF

1149. SHRI SHAMIM HASHMI: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government are aware that Dhara Oil from NDDB is being marketed through GCMMF and their private distributors at an exorbitant Commission and if so, the profits made by the GCMMF on this product so far;

(b) whether Government are also aware that the same product is being marketed in Delhi at a nominal Commission through Fruits and Vegetable outlets of NDDB;

(c) whether Dhara and all other products would be sold only through Cooperative and PDS/Govt. Super Bazars etc. throughout the country;

(d) whether an investigation would be made in this matter; and

(e) whether a Chairman would be appointed as provided under the NDDB Act, 1987 at the earliest?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI NITISH KUMAR): (a) Dhara oil is being marketed by the NDDB through the GCMMF Ltd. The GCMMF has a vast distribution network it has established for marketing of Amul products. This helps to ensure that the reach of the product is wider and the product is available to all sections of consumers. Commission to GCMMF is only 2 per cent which is reasonable considering that it has to cover distribution expenses, local transportation and its distribution/marketing staff salaries within this margin.

(b) The Fruits and Vegetables outlets in Delhi are owned by the NDDB and its operating cost are being absorbed by the F&V Project of the NDDB. Since all the related costs on distribution, local transportation, distribution/marketing staff salaries are absorbed by the F&V Project, the commission paid to the concessionaries of these outlets is nominal.

(c) While Dhara oil is also being marketed through cooperative stores, it would not be proper to restrict sale of Dhara only through cooperatives and PDS/Super Bazar outlets. The main objective of the NDDB is to make pure oil available to all sections of consumers at reasonable prices. It is therefore proposed to continue marketing Dhara through other retail outlets as well.

(d) Question does not arise.

(e) The Chairman of the NDDB has already been appointed as per the provisions of the Act.

Under utilization of resources of oilseeds production

1150. SHRI KRISHNA KUMAR BIRLA: Will the Minister of AGRICULTURE be pleased to state:

(a) what is the percentage of the under utilisation of the indigenous resources of oilseeds production according to the assessment, if any, made by Government stating the reasons therefor;

(b) to what extent minor and forest origin oilseeds have been tapped stating the estimated collection during 1988-89 and the percentage of oil recovery; and

(c) whether any strategy has been formulated by Government to step up collection of these under tapped oilseeds for larger exploitation of this natural resources; if so, what are the details thereof?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI NITISH KUMAR): (a) Apart from the normal requirements for sowing and direct consumption, the bulk of the oilseeds produced are subjected to oil recovery.

(b) the estimated production during 1988-89 of oil from trees of forest origin is 1.5 lakh tonnes. The average percentage of recovery ranges from 12.5 per cent in the case of sal to 35 per cent in the case of mahua.

(c) The Ministry of Welfare has been entrusted with task of increasing the collection of sal seeds through TRIFED which was declared the Central Nodal Agency in 1988 for collection, processing and development of oilseeds of tree and forest origin. Excise duty rebates are given for use of minor oils which include oils of tree and forest origin.

औद्योगिक संबंध विधेयक तैयार किया जाना

1151. श्री अजीत जोगी :
कुमारी आलिया :

क्या श्रम मंत्री यह बताने की कृपा करेंगे कि :

(क) औद्योगिक संबंधों के बारे में विद्यमान कानूनों को युक्तिसंगत बनाने में कौन-कौन सी मुख्य बाधाएं सामने आई हैं ;

(ख) क्या इस कार्य को पूरा करने और संसद में विधान लाने के लिए कोई समय सीमा निर्धारित की गई है; और

(ग) यदि हां, तो इस संबंध में ब्यौरा क्या है ?

श्रम एवं कल्याण मंत्री (श्री राम विलास पासवान) : (क) से (ग) व्यवसाय संघ और औद्योगिक विवाद (संशोधन) विधेयक, 1988 राज्य सभा में 13 मई, 1988 को पेश किया गया था । विभिन्न केन्द्रीय ट्रेड यूनियनों और नियोजक संगठनों तथा अन्यों से
